

Theme: Remote Learning

Digital Learning  
No faces. Your mic on mute.  
Missing Connection.

New Technology  
21st Century skills  
Better tomorrow

Odd first day of school,  
Log in on time to greet you.  
Empty Halls. Miss you.

Theme: The Gifts of the Pandemic

More dinners at home  
Fewer cars on the highways  
Hot dogs on the grill

Friends in the driveway  
Merry mask making missions  
Canned food drives galore

Writing and reading  
Walking and walking some more  
Learning to relax

Learning how to Zoom  
Homes for sheltered animals  
Clean air and flowers

Time in the garden  
Can you say social distance?  
Cleanliness is queen

Pulling out the weeds  
Creativity abounds  
Fresh air and sunshine

Smiling through a mask  
Maybe new ways are better?  
Flexibility

Old views fade away  
What can we do in small groups?  
Human spirit thrives

Although it is hard  
I see rainbows in the clouds  
Hope springs eternal
