

HOPE LIVES

Hope lives when we pray,
Hope lives when we keep striving to overcome obstacles,
Hope lives when we can see the light at the end of the tunnel,
Hope lives when we can give a smile,
Hope lives when we can raise our voices to sing.

Hope lives when we embrace and comfort others,
Hope lives when we can see a problem and work toward a solution,
Hope lives when we find ways to endure and survive,
Hope lives when we can encourage those around us.

Hope lives in our hearts and in our spirits,
Hope lives in our dreams, and aspirations,
Hope lives in our thoughts and in our minds,
Hope lives in our actions that propel us forward and keep us moving.

Hope lives in the way we conquer our fears,
Hope lives in the way we can greet the day with a grateful heart,
Hope lives in the way we stand up for our beliefs,
Hope lives in the way we talk, and in the way we walk.

Hope lives because we keep our unwavering faith,
Hope lives because we yearn for a better, brighter day,
Hope lives because we know that those who fought before us, did not give up,
Hope lives because we believe that when we work together, we can triumph over adversity,
Hope lives because we believe that Love wins, Justice wins, and We Will Win!
