

Seasons Cadence

The spring rises
Its warm horizon
soft colors grow
Maple sweet
A delicious treat
warm in the glow

Summer shines bright
A vibrant delight
Joy full play
The birch waves
in verdant praise
Dancing all day

Fall colors set
Vivid shades met
oaks in blaze
Cider filled mug
Flannel warm hugs
Autumn verse raise

Winter's velvet night
Moon's soft light
The evergreen sleeps
Stars shine array
The fresh snow lay
My hope keeps
