

“Stamp of Approval”

By Margaret A. Chambers

Uncle Brother,
As we respectfully and endearingly addressed him is our hero and our best friend. He was always there when we needed him. Brother picked us up when we faltered and believed in our dreams!

He had the ultimate character traits we admired and aspired to. The list is long but factual. Brother conveyed, honesty, integrity, loyalty, generosity, reliability, humility, compassion, morality, fairness, dependability, and thoughtfulness.

As such, his character demonstrated our desire to celebrate him and express to all, his magnanimous significance in all our lives. We awarded him the family “Stamp of Approval!” We honored Brother with his portrait depicted on the United States postage stamp. It was a "Thank You" to him, for the love and inspiration he provided us! He imparted

qualities in us of value, which have given us guidance and a path to follow as we navigate life's challenges.

Rest in Peace

♡ Infinitely,

"THE FAMILY"
