

Family

**Not all families are related by blood
Some are chosen and decided by love
Our Nu Zeta Chapter is meant to be
Just this kind of family**

**As DKG women educators, we raise the banner
To show we care for things that matter
Support is there when hard times arise**

**Our sisters know when we need to stem the tide
A dose of warmth, a dash of laughter, loads of hugs
A listening ear or a kind word maybe all that's needed
Or maybe counseling advice that should be heeded**

**Nu Zeta Sisters
are here..... you see**

To let everyone know we are indeed a true "FA- MI- LEE"
