

Finding My Way  
Beverley H. Johns  
Illinois

I dream I am in a maze  
Frustrated, abandoned  
No way out, just more rooms  
Where is escape, who will lead me?

I must calm myself  
I am the only one who can find my way  
I am the one who can explore the rooms  
I am the one who can lead me where I want to be

I awaken  
Not with fear, but with power
