

Time Capsule of Words

By Ashlee Taylor Layton

Bagels & cream cheese
strawberries
Books, blocks, and a swim
Wet dog, cold toddler
Laughing baby

need *all* the things
Toe-ti-tah, grapes
Avocado with spices, chips
Three cups
Don't take it away, Mommy
Need to see the meeting
Forgot the bbq sauce
Silly mommy

So tired
peanut butter like a stuffy
Rub my eyes
Wet wipes equal second wind
free to roam; time to climb

Can't keep track
Of all the living things
Please eat the food
Any food
Back, bed, down
Where's the baby
Top of the stairs
Look what I can do
Quiet time.
Really?

Mommy, I need to go potty
I'm just not tired right now

Bubby needs me.
Bubby needs mommy
I don't need socks right now
Maybe
My toes are toasty roasty

Bah, bah, bah

Mud
Balls, swings
Toes touching the sky
Cheeks chapped
Fingers cold
Daddy's home!!

Dinner time!
Fried rice cakes
Nope

Just fried rice
Doling out grapes
One bite of rice
One grape

Should we do something as a family?
Raised eyebrows

Time to go to a store with daddy?
Need new soccer shoes
Success
And a milkshake to boot!

Swim, baby shark
Dinosaurs, Ten Apples on Top
Cuddles
sweet baby

strawberry ice cream is sweet
not as sweet as that smile
too late for a bath
time for stories
prayers
and songs

Mommy stay here
I just wait for you

Don't eat my ice cream!

Blessed silence
Watch the Amazing Race

My race is even more Amazing
