

Keep on Walking

By Ermyn Roberts

May the roads that you travel be smooth and wide,
May your focus and purpose sustain you with each new stride,
Keep on Walking!

May the love in your heart spread to others, remain deep,
May this love propel you onward when the road becomes steep,
Keep on Walking!

May the obstacles that you encounter and overcome along your way,
May they strengthen you, build courage, so you will not stray,
Keep on Walking!

May you find joy in your journey, even when the end seems distant, out of reach,
May your rewards at the summit lead to lessons that you can now teach.
Keep on Walking!
