

VICTIMIZED HEROES

BY BEV JOHNS

To Those Who Have the Courage to Speak Up

When Scorned and Ridiculed

When Isolated and Ignored

When Traumatized with Personal Loss

When Faced with Grief About What Could Have Been

To Those Who Have the Courage to Speak Up

They Pave the Way for a Better World

They Speak Up for Those Who Can't or Won't

They Change the Negative Behaviors of Others

They Protect the Rights of Many

May These Heroes Look in the Mirror and Feel a Sense of Pride

In Their Strength, Persistence, and Bravery
