

MU CHAPTER SONG

By Vivian Mitsuda Hee

Today, we celebrate Mu Sisters, Hurrah, Hurrah.

We pass the test with flying colors, Hurrah, Hurrah.

For one biennium COVID ruled, a nasty fella that ever grew,

We beat it up and came back very strong. Came back very strong.

As Mu sisters we did not meet, How sad, How sad.

We learn to Zoom to communicate, Hurrah, Hurrah.

It wasn't easy as all would agree, each person with a screen of thee,

But dressed so elegantly with shorts and tee shirt. With shorts and tee shirt.

We now bid our COVID leaders, Adieu, Adieu.

With Jenny, Maile, Jacky and Karen, Hurrah, Hurrah.

With Molly and Jean, you all served so well, never complained and with a smile,

You were our ever model of excellence. Model of excellence.

We now will welcome the newest leaders, Hurrah, Hurrah.

With Jennifer, Sharon and Ruby, Hurrah, Hurrah.

Donna, Phyllis, Jenny and Nan. What more can we ask of you.

You all are our great sisters' leaders too. Great sisters' leaders too.

At the State level we cannot forget, Our sisters, too.

There's Lori as Prexy and Mohala as Sec. Hurrah, Hurrah.

You took the helm and made it great. And with Fall Forum also to boot.

We all are so very proud of you. Very proud of you.

Our teachers were on the front line, Hurrah, Hurrah.
With no relief in sight they saw, How sad, How sad.
How could you teach but tried your best. You took the challenge and fought with zest.
You all are our sister heroes too. Sister heroes too.

There was Lisa, Karol, Jan and Kelly, Hurrah, Hurrah.
With Lynn and Sheri working so hard, Hurrah, hurrah.
Tristan, Allyssa and new members too. Reiko and Tanya added to do,
We really are so happy to have all of you. Happy to have all of you.

The retirees were oh, so lucky, Hurrah, hurrah.
Patti, Soo Boo, Ellen and Mona, Hurrah, Hurrah.
La Verne, Estelle, Wendy and Marge, Eileen, Patsy, Kathy and Viv.
We all stayed home and prayed for our sisters' too. Prayed for our sisters' too.

Now things are almost normal again, Hurrah, Hurrah.
We hope to meet in person more often, Hurrah, Hurrah.
With hugs and talks like we always did, and hope COVID never joins us again.
We are Mu sisters loving and very strong. We are Mu sisters loving and very strong.

Written especially for DKG Mu sisters
