

Musings from my Backyard: In Simple Haiku

by Soo Boo Tan

Sweet subtle fragrance
Fills the backyard this morning
Plumeria in bloom

Lil' brown anole
Shoots out pumping his red throat
Looking for trouble.

Two banana trees
Trying to outdo each other
Who will flower first?

Brown gecko I spot you
Why are you in my lettuce?
I've no insects here.

Five oncidium pots
Two set spikes, the other three
Rebeled without cause.
