

# A LOSS FOR ALL

By Bev Johns

Another school shooting

The loss of two innocent students

The loss of two brave teachers

Another day that should never be forgotten

We all experienced the loss

This devastating and heartbreaking event

The assault on our safe spaces

The assault on our feelings of security

The assault on our trust of others

The reminder of the fragility of life

The guilt that surrounds us

The feeling of helplessness

Wondering What We Can Do

We Must Stop the Violence

We Must Model Kindness

We Must Teach Ways to Curb Anger

We Must Recognize Mental Health Needs

We Must Be Advocates for Peace.
