

Goodbye to 5th grade – Kristin Merkle - IA

Your elementary years,
have come to an end,
I know you will do well at Summit,
Always be a great friend.

The skills you have learned,
Will take you far.
You can use your smarts,
Or wish upon a star.

Make sure to be stylish,
Wear Crocs when you can.
No matter your favorite team
Always be a Dragon fan.

You have support here at Horizon,
We are just an email away.
Contact me next year,
Or on a high school day.

Find your passions,
Use your drive to succeed.
Go make an impact on the world,
I see your potential, yes indeed!

Some days may be hard,
Have confidence in you.
There is a star in the mirror,
I believe in what you can do.

Have a great summer,
Remember to read a bit.
Always spend time learning,
So your brain will not quit.

It is all about CHARACTER,
I'm not just talking Disney now.
Be a good role model,
Show your peers how.

Rise to the challenge,
Have courage and be kind.
Every day is a fresh start,
Be wise and use your mind.
