

Self Love

By

Audrienne Roberts Womack

There's no one like me, it's true,
With my nose, my hair, my eyes, my chin.
For years I struggled, tried to fit in,
But now I love the skin I'm in.

I celebrate myself at every chance,
For self-love is the greatest advance.
There's nothing more valuable to me,
Than the love I have for the person I see.
