

THE DKG CENTENNIAL CELEBRATION

Put 100 candles on the cake, it's time to celebrate!

The Delta Kappa Gamma Society International was born...
1929 was the date.

We honor our founders, whose vision we uphold.

We've seen their goals and purposes at chapter meetings unfold.

As key women teachers who gather from around the world,

May our banner, for many years, continue to be unfurled.

We are an Honor Society that builds self esteem.

It's a real privilege to become a part of this special team!
