

Who Is This Person?

By Bev Johns

Who Puts Me Before We?
Who Chooses Money Before People?
Who Wants My Way Over Our Way?
Who Thinks Only of Her Needs Over a Kind Heart?
Who Wants Now, Not Patience?

I Thought I Knew Who She Was.
The Voices Shocked Me.
The Selfishness Permeated.
The Lack of Caring for Others.
The It's All About Me Attitude.

Is This My Friend Anymore?
The Need for Abandonment Overcomes Me.
To Associate with Someone, I No Longer Know.
Walking Away Hurts.
I am Torn.
